Re: Public Body GC/CM Project Addendum Approval

Dear Ms. Soule:

The Capital Projects Advisory Review Board's Project Review Committee has determined that your request for a project addendum to utilize the alternative subcontractor selection process outlined in RCW 39.10.385 has met the criteria approval.

Pierce Transit is hereby authorized to utilize the GC/CM alternative subcontractor selection process for EC/CM, MC/CM and Maintenance & Specialty Equipment on the *Maintenance and Operations Base Infrastructure and Facilities Improvements Maintenance Facility Building and Subsequent Phases* Project which was originally approved on November 29, 2018.

Congratulations on obtaining project addendum approval and wish you successful completion of your project.

Sincerely,
