**Re: Public Body GC/CM Re-Certification - Approval**

Dear Ms. Knoblach:

The Capital Projects Advisory Review Board's Project Review Committee has determined that the Department of Enterprise Services has met the criteria established in RCW 39.10 for public body GC/CM certification. As of September 22, 2016, the Department of Enterprise Services is re-authorized to utilize GC/CM contracting procedures.

The Department of Enterprise Services' re-certification will extend through September 26, 2019. A new application for re-certification will need to be submitted to the Project Review Committee at least three months prior to the above noted expiration date.

Under the terms of the law you will be required to submit project data to CPARB during any GC/CM project undertaken with this certification. Please identify your point of contact for supplying required project data information to CPARB/PRC staff person, Talia Baker, at [Talia.Baker@des.wa.gov](mailto:Talia.Baker@des.wa.gov).

Congratulations on the approval of your application.

Please contact Nancy Deakins (360) 407-9333 if you have any questions regarding this process.

Sincerely,
