Re: Public Body GC/CM Certification Determination

Dear Mr. Moll:

The Capital Projects Advisory Review Board's Project Review Committee has determined that Mason General Hospital has met the criteria established in RCW 39.10 for public body GC/CM certification. As of **July 27, 2017** the Mason General Hospital is authorized to utilize GC/CM contracting procedures for projects for a period of three years.

The Mason General Hospital's certification will extend through **July 27, 2020**. A new application for certification will need to be submitted to the Project Review Committee at least three months prior to the above noted expiration date.

Under the terms of the law you will be required to submit project data to CPARB during any GC/CM project undertaken with this certification. Please identify your point of contact for supplying required project data information to CPARB staff person, Nancy Deakins, at Nancy.Deakins@des.wa.gov

Congratulations on the approval of your application.

Please contact Nancy Deakins at (360) 407-9333 if you have any questions regarding this process.

Sincerely,

Rustin Hall, Chair
Project Review Committee
