Re: Public Body Design-Build Recertification Determination

Dear Executive Director Aldridge:

The Project Review Committee has determined that the Tacoma School District has met the criteria established in RCW 39.10 for public body Design-Build (DB) certification. As of September 28, 2023, the Tacoma School District is authorized to utilize DB contracting procedures for projects with a total project cost of two million dollars or more for a period of three years.

The Tacoma School District's certification will extend through **January 28, 2027**. (*Certification dates are based on your original certification date of January 28, 2021.*) Please submit your application for recertification to the Project Review Committee three months prior to the above noted expiration date.

Congratulations on the approval of your application.

Sincerely,
