**NOTICE TO CONSULTANTS
REQUEST FOR QUALIFICATIONS**

Submittal Due Date: **November 30, 2023 prior to 2:00 pm PST**

Design Services Required for Project No. 2024-420: Eastern State Hospital Activity Therapy Building: Electrical, Mechanical and Fire Sprinkler Renovation in Medical Lake, WA 99022.

Scope of Work

This Request for Qualifications is for the purpose of selecting an Architect/Engineer for the Design Services for the Eastern State Hospital Activity Therapy Building: Electrical, Mechanical and Fire Sprinkler Renovation for DSHS located at 850 Maple Street, Medical Lake, WA 99022. This scope of work includes design and construction administration services.

This project includes the following:

- **Electrical:** Replacement of the existing 1,200-amp electrical system and generator with a new electrical transformer, electrical switch gear, distribution panels, etc. Upgrades to fire alarm.
- **Mechanical:** Addition of air distribution system to include air conditioning throughout the building. Relocation of existing boilers from adjacent building, back into the Activity Building.
- **Fire Sprinklers:** Addition of fire sprinklers throughout the building.
- **Miscellaneous:** Addition of a medication dispensary window (coil door) within the building. Addition of new lay-in security ceilings to conceal new ductwork.
- **Structural:** *All Structural analysis of the building, to support this renovation project will be provided by KPFF, who is already under a direct contract with DSHS.*

Description of Facility

Eastern State Hospital (ESH) operates as one of two state psychiatric hospitals serving up to 367 adults (FY20 funded level) primarily from Eastern Washington counties. Located in Medical Lake, the hospital provides evaluation and in-patient treatment for individuals with serious or long-term mental illness that have been referred to the hospital through the Behavioral Health Organizations, the civil court system, or through the criminal justice system.

ESH therapy specialists utilize the existing 53,400 square foot Adult Therapy Building (built in 1962) to offer various treatment programs for the patients of Eastern State Hospital. Recovery here addresses the physical and mental health of the clients enabling them to be successful and return to the community. Treatment includes various facilities, including a gymnasium, a bowling alley, classrooms for art, home skills, woodworking, music, computer skills, grooming, and gardening.

The preliminary Maximum Allowable Construction Cost (MACC) for this project is \$5,700,000. This project is funded for Design and Construction in the 2023-2025 biennium. The intent is for this project to be design-bid-build.

The building is currently being used by staff and patients at Eastern State Hospital; there is an expectation that the building could remain in use during construction. Detailed coordination efforts will be needed to work with the staff and contractor to develop viable phasing plans.

Project Goals

- *This project will enhance the user’s environment and improve interaction within the building.*
- *The building will meet the owner’s long-term commitment to environmental stewardship.*

Submitting firms should have a strong background in the innovative design of adding electrical systems, mechanical systems, and fire sprinkler systems to a building’s existing infrastructure, in a complementary manner.

Selection Process

The selection process will consist of two phases: Phase 1 SOQ Evaluation and Phase 2 Oral Interviews. The firms submitting qualifications in Phase 1 will be scored and ranked using the Phase 1 evaluation criteria in this RFQ. The most qualified firms (Finalists) will be invited to Phase 2 Oral Interviews. The Finalists will be scored and ranked based on the Phase 2 evaluation criteria. The Finalist with the best Phase 2 rank will be chosen to begin negotiations to provide consultant services for this project. Note, Phase 1 and Phase 2 scores are NOT combined.

Phase 1: SOQ Evaluation (total 100 points)

Each SOQ received and deemed responsive to this notice will be reviewed and evaluated by a selection panel as determined by DES. This panel will review each SOQ for responsiveness and apply the following weighted selected criterion to determine a score for ranking:

Weighted evaluation criterion for the Phase 1

SOQ Evaluation will be used by the selection committee to score each top-rated firm as follows:

Qualifications of Key Personnel Identify specific individuals and sub-consultants for key positions and show interrelationships and reporting hierarchy for your proposed team. Describe how each individual's professional experiences are relevant and bring value to the project. Provide proposed percentage of time that the firm intends to assign each individual or sub-firm to the Project.	35 points
Relevant Experience Discuss projects your firm has undertaken of similar scope, size and complexity within the past five to eight years. Describe attributes of past projects that have met goals similar to the Owner's goals for this project. Identify delivery methods for each project. Provide original project budget and actual completed costs along with current contact information for reference checking.	35 points
Past Performance Describe the approach the Proposer might utilize to achieve and maintain Owner's project scope, schedule and budget. Describe and provide examples of how the proposer successfully developed Owner's project scope while staying within the proposed budget. Discuss tools and methods for scheduling projects for both design and construction. Show how the interrelationship of successful management of scope, schedule, and budget creates successful projects.	30 points
Diverse Business Inclusion Strategies Describe strategies to increase opportunities for diverse business participation.	Not scored

Based on each score, each SOQ will be ranked, and a short-list of top-qualified firms will advance to Phase 2 Selection: Oral Interviews. DES reserves the right to determine the total number of top-qualified firms to advance to Phase 2 Selection.

Phase 2: Oral Interviews (total 100 points)

Top-qualified firms (highest ranked firms) will be invited to participate in Phase 2 of the selection. Oral Interviews on a specified date and time, and will be formatted in two periods:

- Firm Presentation Period (Maximum: 30 Minutes)
- Question and Answer (Q&A) Period (Maximum: 20 minutes)
- Firm Closing Statements (Maximum: 5 Minutes)

Remote Interview (Video Teleconference) Considerations:

A meeting link for accessing the oral interview will be provided to each top-listed firm following completion of Phase 1 Selection.

Weighted evaluation criterion for the Phase 2:

Oral Interviews will be used by the selection committee to score each top-rated firm as follows:

Organization: Management Plan Team Member Qualifications Capacity/Production Capabilities	25 points
Project Management: Scope management Budgeting and Cost Control Project Scheduling	25 points
Project Approach: Understanding of this project Challenges & Opportunities	25 points
Experience: Relevant Past Projects (firm) Relevant Past Projects (key team members)	25 points
Diverse Business Inclusion Plan (written submittal)	NOT scored

Additional Considerations for Selection

Diverse Business Inclusion Plan Requirements

This submittal is a Phase 2 mandatory requirement. It is not scored, however, failure to submit will result in a firm being deemed non-responsive.

Each top-ranked firm, including diverse businesses, will be required to submit DES’ Public Works Diverse Business Inclusion Plan form.

A complete Diverse Business Inclusion Plan will be submitted to the DES Project Manager no later than one (1) full business day prior to the scheduled interview date and time.

The Diverse Business Inclusion Plan must demonstrate in detail the specific strategies, approaches, and steps your firm will use in seeking to help meet or exceed the state’s aspirational diverse business participation goals. Achievement of the goals is encouraged.

Aspirational Goals

The Governor's Office's aspirational goals for diverse business inclusion are:

10% Minority Owned Business certified by the Washington State Office of Minority and Women Business Enterprises

6%, Women Owned Business certified by the Washington State Office of Minority and Women Business Enterprises

5% Veteran Owned Business certified by the Washington State Department of Veterans Affairs

5% Washington Small Businesses self-identified in the Washington Electronic Business Solution <https://www.des.wa.gov/services/contracting-purchasing/doing-business-state/webs-registration-search-tips> (WEBS).

Following final selection, the successful firm and its subconsultants must register and create an account with the DES Diversity Compliance program (B2Gnow). B2Gnow is designed to streamline and automate reporting requirements.

Firms may contact the following resources to obtain information on certified and registered diverse business firms for the inclusion of potential diverse business subconsultants:

- The Office of Minority and Women's Business Enterprises: 866.208.1064 or 360.664.9750 or www.omwbe.wa.gov,
- For small business information: Charles Wilson, Public Works Business Diversity Program Manager at the Washington State Department of Enterprise Services: 360.407.8455 or 360.999.7667 or charles.wilson@des.wa.gov
- The Department of Veterans' Affairs: 360.725.2169 or 360.725.2200 or www.dva.wa.gov

Evaluation and Scoring Considerations

In evaluating each of the criteria, the Selection Committee will identify significant and minor strengths and weaknesses from the submissions. The Selection Committee will then use the following guidelines to evaluate the submissions for each Selection Criterion, based on the weighting assigned in the RFQ and any addenda. After initial scoring, the selection team will come to a consensus ranking of the Firms.

1. Definition of "strength" and "weakness":

- a. The term "strength" ultimately represents a benefit to the Project and is expected to increase the Firm's ability to meet or exceed the Project Goals. A minor strength has a slight positive influence and a significant strength has a considerable positive influence on the Firm's ability to exceed the Project Goals.
- b. The term "weakness" detracts from the Firm's ability to meet the Project Goals and may result in inefficient or ineffective performance. A minor weakness has a slight negative influence and a significant weakness has a considerable negative influence on the Firm's ability to exceed the Project Goals.

2. Scoring:

- a. **Excellent** (81-100 percent of points available): The Evaluative Criteria demonstrates an approach that is considered to exceed the Project Goals and the RFQ requirements and provide a consistently outstanding level of quality. ***To be considered Excellent, it must be determined to have significant strengths and/or a number of minor strengths and few or no appreciable weaknesses.***
- b. **Good** (61-80 percent of available points): The Evaluative Criteria demonstrates an approach that is considered to meet the RFQ in a beneficial way (providing advantages, benefits, or added value to the Project) and offers quality. ***To be considered Good, it must be determined to have strengths and few, if any, significant weaknesses. Minor weaknesses are offset by strengths.***
- c. **Fair** (41-60 percent of available points): The Evaluative Criteria demonstrates an approach that contains minor and/or significant weaknesses and limited appreciable strengths.
- d. **Deficient** (0-40 percent of available points): The Evaluative Criteria demonstrates an approach that contains significant weaknesses and no appreciable strengths.
- e. **Non-Responsive:** Does not meet the Minimum Qualifications required for evaluation. In addition, the Owner, at its sole discretion, may reject any Evaluative Criteria deemed non-responsive to any of the requirements.

Other Information

The successful most-highly qualified firm will be expected to enter upon DES' standard Engineering and Architectural Services Agreement. Level of effort and relative fees will be negotiated following selection of the most-highly qualified firm.

The state reserves the right to continue with the consultant selected or has the option to conduct a new consultant selection process for future services for this project beyond those services advertised above.

The state also reserves the right to terminate negotiations with the successful most-highly qualified firm if mutual agreement is unachievable. The state may at its discretion enter into negotiations with the next highly qualified firm determined as a result of this selection process; or conduct a new selection process for the procurement of services necessary to complete this project.

All firms responding to this solicitation are encouraged to register in Washington's Electronic Business Solution Application (WEBS) at: <https://fortress.wa.gov/ga/webs/>

All Statements of Qualifications and submittals shall become property of the State of Washington and are subject to public disclosure, at the conclusion of the selection process, according to the provisions of RCW 42.56 Public Records Act.
