

**Marc Daily**  
**Thurston Regional Planning Council**

Marc Daily is the Executive Director of the Thurston Regional Planning Council in Olympia. Marc has over 20 years of urban and environmental planning experience in the private and public sectors. With Thurston Regional Planning Council, Marc's emphasis is on transportation and land use planning to benefit the organization's 22 member jurisdictions. Prior to joining the Council, Marc served as the Deputy Director of Washington's Puget Sound Partnership, a state agency charged with the ecosystem recovery of Puget Sound. This included one year as the acting director and serving in Governor Jay Inslee's Executive Cabinet.
