**QUESTION RE: APPLICATION**

Meeting Date: September 22, 2022

# **SEATTLE SCHOOL DISTRICT GC/CM PROJECT**

## ***– JOHN MUIR ELEMENTARY SCHOOL EARLY LEARNING ADDITION & MISCELLANEOUS IMPROVEMENTS***

1. What is your process for reviewing bid packages etc. to ensure they are fair and do not have convoluted packages making it difficult for small subs etc. to have opportunities to bid.
  - SPS will review the GC/CM contractor's proposed bid packages to ensure fair competition and that established minority, women, small and disadvantaged business goals are being met. SPS recognizes that the size and scope of the bid packages is an important consideration as large or convoluted bid packages will not position SPS to achieve its identified project W/MBE goals.
