Re: Public Body GC/CM Project Approval

Dear Superintendent Brewer:

The Project Review Committee has determined the Port Angeles School District's Stevens Middle School Renovation Project has met the criteria established in RCW 39.10.280 for public body project approval and is hereby authorized to utilize the GC/CM alternative contracting procedure.

If you determine that you wish to use the Alternative Subcontractor Selection Process on this project, please use the [GC/CM Project Application Supplement B](#) to apply for PRC approval.

Congratulations on obtaining project approval and we look forward to successful completion of your project.

Sincerely,
