

Small Works Roster

Small Works Roster Committee

Questions to answer

How is development going on the Roster and what does it look like?

When will the Statewide Roster be ready to launch?

What kind of training is being held?

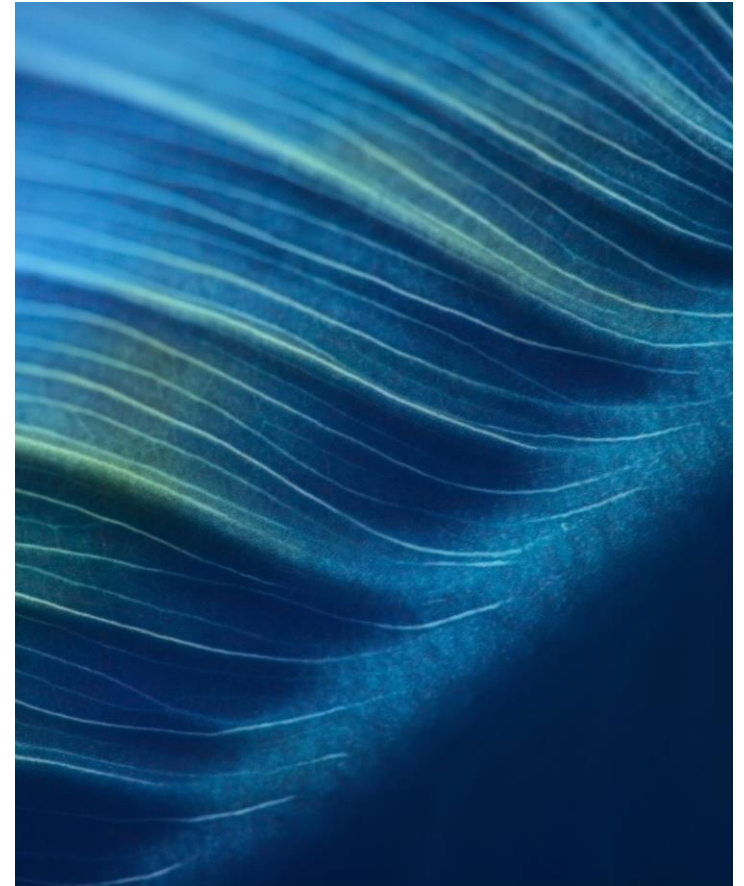

SB 5268 directives –Solicitation Process

Requirement to solicit all businesses on Roster category

Direct Contracting option

- Creation of small business definition - OMWBE
- Creation of small business certification – OMWBE
- Notify small businesses when used

Geographic search ability

SB 5268 - Information gathering/notification

01

Record and make bid quotes publicly available

02

Publish contractors awarded and contacted for direct contracting

03

Eligibility documents filed with appropriate agency

04

Mandatory demographic information

05

Provide OMWBE notice of roster existence and solicit contractors certified with OMWBE

Development Components

- Automation of verification requirements (*integration with L&I*)
- Additional data capture to manage rotation requirements
- Identification and automation of certification status (*integration with OMWBE*)
- Bid Tab collection and reporting
- Category revisions/process review for eligibility requirements
- Free access for businesses to the Public Works roster

Identify in real time if L&I requirements are met

 - SWR Launch @ Tacoma – May 15th

Contractor Training

- Meet the Agencies networking events
 - 7 sessions
 - Feb 22nd @ Clallum
 - April 29th @ Kitsap
- Public Works changes you need to know about - Webinar
 - Feb. 29th
- Alliance Northwest – 2 sessions
 - Mar. 14th

Challenges

1

Notifying the broader business community for how to prepare

2

Awareness: Attaining sufficient volume of PWSBE certified businesses to trigger the “rule of six” (**setting expectations**)

3

Educating agency staff on their role in adopting revised policies in preparation for July 1st

- Trained over 1,000 agency staff to date but more to do

Questions
