Amendment adds funding to cover costs associated with additional tasks to the review of OSPI revisions to the science standards and presentation of reports - specifically facilitation of a Science Standards Revision Team Orientation Workshop and additional required reports. The contractor is reviewing and analyzing the state's K-10 science standards and recommending ways to strengthen them. Contractor is also recommending appropriate grade level expectations for grades 11 and 12.

--	---

The purpose of this Agreement is to identify and secure commitments from additional collectors for the e-recycling network mandated by Washington state law. By law, a electronics collection site needs to be established in every city with a population over 10,000 and in every county in Washington State by January 1. As of August 12 only 60% of the network is complete.
