

Fleet Rescue Road Service

Roadside assistance services available nationwide

Your Comdata® Card is now equipped with nationwide Fleet Rescue roadside assistance. Should your vehicle become disabled, service is dispatched to assist you 24/7 with one simple phone call. Any necessary services will be billed directly to your Comdata Card, with no out-of-pocket expense required.

Services Available Include:

Towing | Winching | Jump Starts
Fuel Delivery | Lock Out Service
Spare Tire Change | Mechanical First Aid

800.226.3860

When calling for assistance, please be prepared to provide the following information:

- Comdata Card number and expiration date
- Vehicle number
- Vehicle description – year, make, model, color and license plate
- Exact location of the vehicle – street address, cross street or off ramp, direction of travel
- Phone number from which you are calling
