Questions from the Group:

Ko Wibowo

Q: Is this pre-design or design?

A: Pre-Design with the option of full Design

Andy Rovelstad

Q: Plan for structure to be DB or DBB?

A: Will be decided during Pre-Design process

Q: You spoke about potential new site, is that documented.

A: Another PRR had another site location but the College Cabinet decided to stay with the proposed PRR's site solution

Megan Berstrom

Q. Will Predesign be excluded from full design if the project is determined to be DBB. Are you requesting us to list our sub consultants.

A: We are still completing pre-design and during that process we will determine the best construction delivery method. Firms can list sub consultants but this is not mandatory.'

Q. How was the 70k sf of spaced needed arrived at, Was there a programming effort for the PRR?

A. Yes during the PRR the programming was identified.
