Request for Qualifications – On-Call Architectural Services
Clark College in Vancouver, Washington

Statement of Qualifications
Submittal Deadline Date: No Later than 2:00 PM
Wednesday, January 12, 2022

This Addendum provides further information on Question #4 addressed in Addendum No. 1.

Q#	Relevant RFQ Section	Question or Comment	DES Response
4	RFQ Section 6 – Diverse Business Inclusion	Will the potential use of Oregon subconsultants count toward meeting the goals of the Diverse Business Inclusion Plan?	To some extent. The intent is to provide opportunities to WA state located businesses. However, potential use of Oregon subconsultants may be counted toward meeting the goals of the prime consultant's Diverse Business Inclusion Plan if the subconsultant firm is certified by the WA State Dept of Minority and Women's Business Enterprises (OMWBE.) Note that Washington Electronic Business Solution (WEBS) only counts "small business" registration.
