COMMUNITY CRISIS SUPPORT AND RESOURCES

Civil unrest and violence in our communities take a toll on an individual's emotional, mental, physical and spiritual well-being. When unrest and violence spill into work, the toll can be particularly heavy. To support employees as they cope with current events related to social and political unrest, the Washington State EAP offers the below resources. Their inclusion is not intended to reflect a particular importance over other resources, nor is the intent to endorse any views expressed or products or services offered.

Some Suggestions for the Days Ahead

- Acknowledge your thoughts and feelings
- Identify what is and what is not in your scope of influence
- Attend to the things in your scope of influence
- Set boundaries around social media and news consumption
- Minimize toxic interactions
- Practice mindfulness
- Eat healthy foods
- Be physically active
- Get sleep
- Seek out and use supportive resources
