

Summary – Community Sounding Board meeting 1

Meeting date: September 24, 2020
Virtual meeting via Zoom

DES provided an update on the rulemaking process and the DES decision-making framework. DES also shared its thinking regarding options being considered for a draft rule and its thinking on an implementation framework.

Group discussed:

- The desire to have the state at the table as regional solutions to homelessness are developed.
- Difficulty in providing feedback when the newly established Regional Housing Council is just starting its work.
- Legal issues related to enforcement of parking rules.
- How actions taken by one agency or jurisdiction affect others, and how Olympia has already been greatly impacted.
- DES thinking on options for hours for parking along Deschutes Parkway.
