RE: Project Review Committee Determination
Asotin County Commissioners – Asotin Co. Justice Complex
GCCM Project Application - Denial

Dear Commissioner Whitman:

The Capital Projects Advisory Review Board's Project Review Committee Panel has determined that your application to use GC/CM method does not meet the criteria established in RCW 39.10.270. Based on its review of your application and subsequent interview on June 24, 2021, the Panel offers the following feedback regarding its decision:

1. Team does not have WA State GC/CM Experience; the team could benefit from adding a GC/CM consultant who has WA State GC/CM project experience.
2. Budget contingencies are too low.
3. Project as presented does not fit the statute.

We thank you for your application and presentation and trust this will not deter you from re-applying for future GC/CM projects.

Sincerely
