

JOC Evaluation Committee May 2021 Report

May 13, 2021

To: Capital Projects Advisory Review Board Members
From: JOC Evaluation Committee
Subject: May 2021 Report and Requested Action Items

The JOC Evaluation Committee hereby requests one Action item be considered at the May 13th CPARB Meeting:

We would like to propose the following Committee voting member changes:

Aleanna Kondelis separated service with University of Washington and has taken a position with Akana, a Native American owned professional consulting firm. Akana is a small business and DBE/MBE certified in multiple states. This diverse business association will assist the JOC Evaluation Committee in enhancing the Best Practices guidelines with outreach and diverse business utilization recommendations.

Anna Daeuble with the University of Washington will replace Aleanna as a voting member representing higher education.

Michael LaVielle separated service with Washington State University. Maja Huff from Washington State University will replace Michael as a voting member representing higher education. Jason Harper will be Maja's backup.

The Committee respectfully requests the Boards approval of the membership changes above.

Respectfully,
