**Recertification Evaluation Criteria**

	Pass	Fail
A. Applicant explained any process changes it made, if any, on how it determines which projects are appropriate for use of alternative contracting procedures.		
1. Explained what steps are taken to determine that the use of GC/CM and/or DB are appropriate for a proposed project.		
2. Described the steps that are taken in approving this determination.		
B. Applicant described their experience in delivering projects under Alternative Public Works in the past three years and summarized how these projects met the statutes in RCW 39.10.		
1. Included the status of each alternative delivery project.		
2. Described any litigation or significant disputes on any project since previous certification.		
C. Applicant provided an updated organization chart with personnel possessing management and construction experience using the GC/CM and/or DB since the previous certification.		
D. Applicant has resolved any audit findings relative to previous projects.
