**Re: Public Body GC/CM Recertification Approval**

Dear Mr. Eatch:

The Capital Projects Advisory Review Board's Project Review Committee has determined that the **University of Washington** has met the criteria established in RCW 39.10 for public body GC/CM certification. As of May 26, 2022, the University of Washington is authorized to utilize GC/CM contracting procedures for projects with a total project cost of two million dollars or more for a period of three years.

The **University of Washington's** certification will extend through **July 26, 2025**. Please submit your application for recertification to the Project Review Committee three months prior to the above noted expiration date.

Congratulations on the approval of your application.

Sincerely,
