Re: Public Body GC/CM & Design-Build Joint Recertification Determination

Dear Mr. Kline:

The Capital Projects Advisory Review Board's Project Review Committee has determined that the **Washington State University** has met the criteria established in RCW 39.10 for public body GC/CM and Design-Build certification. As of January 27, 2022, Washington State University is authorized to utilize GC/CM and Design-Build contracting procedures for projects with a total project cost of two million dollars or more for a period of three years.

The Washington State University's joint certification will extend through **March 28, 2025**. Please submit your application for recertification to the Project Review Committee three months prior to the above noted expiration date should your agency wish to recertify.

Congratulations on the approval of your application.

Sincerely,

A handwritten signature in blue ink that reads "Mike D Shinn".
