RE: Resignation - Project Review Committee

Dear Rustin,

My position at the University of Washington has been eliminated. As such, I am resigning my position on the Project Review Committee effective September 15, 2018.

I have thoroughly enjoyed working with you and the other members of the committee and I am immensely proud of the commitment and work of the members. I appreciate that I was able to contribute to such an important responsibility that expands the use of the alternative public works process in the state.

I will be taking some time off before seeking a new opportunity.

Best regards,
