

**Summary of Changes to  
CPARB's Suggested Guidelines for Bidder Responsibility  
November 16, 2017**

1. Updated website links for CPARB and RCWs throughout.
2. Removed or noted out-dated statutes, such as out-of-state prefabrication (effective through 2013).
3. Added new law and suggested bid document language for new mandatory responsibility criteria to address willful violations of wage payments by prime contractor and subcontractors (HB 5301, RCW 39.04.350 (1) (g) and (2).)
4. Updated references to the paragraphs in 39.04.350 as paragraph (2) was added, which changed numbering for paragraphs (3) and (4).
