Re: Public Body GC/CM Recertification Determination

Dear Mr. Rowell:

The Capital Projects Advisory Review Board's Project Review Committee has determined that the Central Valley School District has met the criteria established in RCW 39.10 for public body GC/CM certification. As of September 24, 2020, the Central Valley School District is authorized to utilize GC/CM contracting procedures for projects with a total project cost of two million dollars or more for a period of three years.

The Central Valley School District's certification will extend through **November 30, 2023**. Please submit your application for recertification to the Project Review Committee three months prior to the above noted expiration date.

Under the terms of the law you will be required to submit project data to CPARB during any GC/CM project undertaken with this certification. Please identify your point of contact for supplying required project data information to CPARB staff person, Nancy Deakins, at Nancy.Deakins@des.wa.gov.

Congratulations on the approval of your application.

Please contact Nancy Deakins at (360) 407-9333 if you have any questions regarding the data collection process.

Sincerely,
