**Re: Public Body GC/CM & DB Recertification Approval**

Dear Mr. Dilbert:

The Project Review Committee has determined that the Port of Seattle has met the criteria established in [RCW 39.10](#) for public body GC/CM & Design-Build Certification. As of December 1, 2022, the Port of Seattle is authorized to utilize GC/CM & Design-Build contracting procedures for projects with a total project cost of two million dollars or more for a period of three years.

The Port of Seattle's certification will extend through **January 23, 2026**. Please submit your application for recertification to the Project Review Committee three months prior to the above noted expiration date.

Congratulations on the approval of your application.

Sincerely,
