**Re: Public Body GC/CM Recertification Approval**

Dear Brian:

The Project Review Committee has determined that the Lake Washington School District has met the criteria established in RCW 39.10 for public body GC/CM certification. As of May 22, 2025, the Lake Washington School District is authorized to utilize GC/CM contracting procedures for projects with a total project cost of two million dollars or more for a period of three years.

The Lake Washington School District's certification will extend through May 26, 2028. Please submit your application for recertification to the Project Review Committee three months prior to the above noted expiration date.

Congratulations on the approval of your application.

Sincerely,
