Re: Public Body GC/CM Project Approval

Dear Chief Free:

The Project Review Committee has determined the City of Camas' Camas Washougal Fire Department New Headquarters and Station 41 project has met the criteria established in RCW 39.10.280 for public body project approval and is hereby authorized to utilize the GC/CM alternative contracting procedure.

If you determine that you wish to use the Alternative Subcontractor Selection Procurement on this project, please use the [GC/CM Project Application Supplement B](#) to apply for PRC approval.

Congratulations on the approval and good luck with your project.

Sincerely,
