**Re: Public Body GC/CM Project Approval**

Dear Executive Director Jones:

The Project Review Committee has determined the RiverCom 911's Regional Emergency Services Dispatch Center project has met the criteria established in RCW 39.10.280 for public body project approval and is hereby authorized to utilize the GC/CM alternative contracting procedure.

If you determine that you wish to use the Alternative Subcontractor Selection Procurement on this project, please use the [GC/CM Project Application Supplement B](#) to apply for PRC approval.

Congratulations on the approval and good luck with your project.

Sincerely,
