Seattle, Washington 98104

Re: Public Body GC/CM Project Approval

Dear Jack:

The Project Review Committee has determined the King County Department of Natural Resources and Parks, Wastewater Treatment Division's Heavy Civil GC/CM Services for Mouth of Duwamish Combined Sewer Overflow Chelan Wet Weather Storage project has met the criteria established in RCW 39.10.280 for public body project approval and is hereby authorized to utilize the GC/CM alternative contracting procedure.

You are also approved to use the Alternative Subcontractor Selection Procurement for MC/CM and EC/CM.

Congratulations on the approval and good luck with your project.

Sincerely,

Eza Agoes, Vice Chair
Project Review Committee
