

2EHB 1115 Capital Budget Bill

Section 1096: DES Engineering & Architectural Services: Staffing

Paragraph 3:

The department, with assistance from the capital projects advisory review board, shall provide recommendations to the governor, house capital budget committee, and senate ways and means committee, on ways to improve the project delivery methods. It must include, at a minimum, methods to incorporate more architectural and engineering firms and contractors to be eligible for design build projects, and methods for including high performance criteria with incentives for the architectural and engineering firm and contractor to meet the performance measure in design-bid-build project delivery methods.
