RE: Project Review Committee Determination
For City of Spokane
Riverfront Park GC/CM

Dear Mr. Eadie:

The Capital Projects Advisory Review Board's Project Review Committee Panel has determined that your application to use GC/CM does not meet the criteria established in RCW 39.10.270 for public body project approval.

We thank you for your application and presentation and trust this will not deter you from re-applying for GC/CM project in the future.

Sincerely
