Subject: Public Comment on the Edmonds School District Re-Certification Application for
GC/CM Delivery

Dear Mr. Palewicz,

Please accept this letter as public comment in support of the Edmonds School District's application for re-certification as an approved agency for GC/CM delivery.

Without question, the Edmonds School District has clearly demonstrated their competence in selecting appropriate projects for GC/CM delivery, procuring contractors in an open and transparent process and executing their projects successfully. Under the experienced leadership of my long-time colleague, Ed Peters, the Edmonds School District has upheld the spirit and letter of the statutes supporting GC/CM delivery.

I strongly support this application and recommend approval by your committee.

Sincerely,

Forrest W. Miller, CFM, REFP, EFM
Director, Support Services
