Re: Public Body GC/CM Re-Certification Determination

Dear Mr. Datz:

The Capital Projects Advisory Review Board's Project Review Committee has determined that the Sound Transit has met the criteria established in RCW 39.10 for public body GC/CM re-certification. As of **March 28, 2019** the Sound Transit is authorized to utilize GC/CM contracting procedures for an additional period of three years.

Congratulations on obtain public body GC/CM re-certification and we look forward to successful completion of your projects.

Sound Transit's re-certification will extend through **January 28, 2022**. A new application for re-certification will need to be submitted to the Project Review Committee at least three months prior to the above noted expiration date in order to be considered for re-certification.

Under the terms of RCW 39.10.350, you will be required to submit project data to CPARB at the conclusion of the project and for re-certification. Please email CPARB staff person, Nancy Deakins, with your point of contact responsible for providing project information, at Nancy.Deakins@des.wa.gov. She can be reached at (360) 407-9333 if you have any questions regarding this process.

Sincerely,
