Re: Public Body GC/CM Certification Determination

Dear Mr. Kline:

The Capital Projects Advisory Review Board's Project Review Committee has determined that the Washington State University has met the criteria established in RCW 39.10 for public body GC/CM certification. As of May 23, 2019, the Washington State University is authorized to utilize GC/CM contracting procedures for projects with a total project cost of two million dollars or more for a period of three years.

The Washington State University's certification will extend through **July 26, 2022**. Please submit your application for re-certification to the Project Review Committee at least three months prior to the initial expiration date.

Under the terms of the law you will be required to submit project data to CPARB during any GC/CM project undertaken with this certification. Please identify your point of contact for supplying required project data information to CPARB staff person, Nancy Deakins, at Nancy.Deakins@des.wa.gov

Congratulations on the approval of your application.

Please contact Talia Baker at (360) 407-8560 if you have any questions regarding this process.

Sincerely,

 FOR J. ZAHN
Janice Zahn, Chair
Project Review Committee
