**Re: Public Body Design-Build Recertification Determination**

Dear Ms. Jansen:

The Capital Projects Advisory Review Board's Project Review Committee has determined that the **Department of Enterprise Services** has met the criteria established in RCW 39.10 for public body Design-Build (DB) certification. As of September 26, 2019 the **Department of Enterprise Services** is authorized to utilize Design-Build contracting procedures for projects with a total project cost of two million dollars or more for a period of three years.

The **Department of Enterprise Service's** certification will extend through **October 25, 2022**. A new application for certification will need to be submitted to the Project Review Committee at least three months prior to the above noted expiration date.

Under the terms of the law you will be required to submit project data to CPARB during any DB project undertaken with this certification. Please identify your point of contact for supplying required project data information to CPARB staff person, Nancy Deakins, at [Nancy.Deakins@des.wa.gov](mailto:Nancy.Deakins@des.wa.gov)

Congratulations on the approval of your application.

Please contact Nancy Deakins at (360) 407-9333 if you have any questions regarding this process.

Sincerely,
