Second Substitute Senate Bill 6483, Section 9 creates the Farmers' Market Technology Improvement Pilot (Pilot). DSHS will assist the Washington State farmers' markets to develop the capacity to accept electronic payment cards, including electronic benefits transfers (EBT).

The intent of the pilot is to increase access to fresh fruits and vegetables and quality meats and dairy for all Washington residents and to increase the number of food stamp recipients using food stamp benefits through EBT at Washington State farmers' markets. This will be accomplished through the purchase and distribution of wireless POS terminals to farmers' markets and a marketing plan.
