RE: Clarification about weighting of criteria and total possible points available in Phase 1

The published RFQ for the above mentioned project incorrectly stated the weighted criteria and total possible points in the Selection Criteria section. These are amended as follows:

Firms will be considered for interviews based upon the following weighted criteria, as well as submittal requirements, as indicated, for a total of 75 possible points:

Qualifications of Key Personnel	30 points	25 points
Relevant Experience	30 points	25 points
Past Performance		25 points

The total available points for Phase 1 remains at 75 points.
