

Project No. 2021-827, On-Call Campus Architect for Lower Columbia College

Informational Meeting Questions and Answers

Meeting held via zoom on 7/8/2021 at 10:00 am

1. Does the list of potential projects include the development of new major Capital Project Request Report (PRR)?

Yes.

2. Does the list of potential projects include Pre-design for Vocational Building?

Yes. However, the intension is to go out with another solicitation for an Architectural Firm for the design after the pre-design is completed.

3. Are A/E's required to provide information about the sub-consultants that they plan to use?

No. However, we are reluctant to tell you how to compose your SOQ. You need to include whatever information you need to provide us with the qualifications and experience of your consultant team. That could include your sub-consultants.

4. How many On-Call Architects does the College intend to Hire?

The College intends to hire up to two On-Call Architectural Firms.

Note: We regrettably are unable to provide you with the list of attendees at the Pre-submittal Conference today because the ZOOM "chat" was not saved.
