Attachments: [Appendix A Leased Space Requirements](#)
[Appendix B New Space Addendum](#)
[Appendix C Space Planning Data](#)
[Appendix D Definitions](#)
[Appendix E Lease Standard](#)

General Considerations:

- a. Space should meet the RES definition of "Existing Space." See Appendix D, "Definitions" for RES definition of "Existing Space," "Space Under Construction," or "Planned Space."
- b. Parking count must meet the requirements established in the municipal code for the intended use, unless otherwise indicated.
- c. Lease will be written on the State of Washington's approved lease documents. See Appendix E, "Lease Standard."

Location Characteristics:

The agency has identified certain key location features for delivery of their services, including but not limited to the following:

- a. Proposed facilities should be in an appropriately zoned area. Commercially zone area along Highway 101 between Port Angeles and Sequim.
- b. Site should be located within 100 feet of major bus stop.
- c. Preference may be given to a locations that are in close proximity to existing public transportation route or routes. Additionally, proposed facilities served by public transportation with hourly service during the hours of 8 AM to 5 PM may be advantageous to the agency.
- d. Facilities located outside of the 100-year flood plain (as defined by the Federal Emergency Management Agency (FEMA) may be advantageous to the agency.
- e. Proposed facilities must be in areas with sufficient infrastructure in place to support the agency operational needs. See building characteristics below.

Building Characteristics:

- a. Please refer to Appendix C, "Space Planning Data" for specific program requirements. The program and layout will be adapted to the selected facility during the design process.
- b. Please refer to Appendix A, "Leased Space Requirements" for general performance requirements and specifications, and Appendix B, "New Space Addendum" for specific site, building, and minimum tenant fit-up requirements.
