

From the north you would then take a left at the light onto Marvin Road. Go over the overpass, get in the right hand lane and go about 2 blocks and you will see a strip mall on your right. Take a right into the strip mall at the light just before Jiffy Lube or just past McDonalds. Parking is open to everyone and the entrance is right next to Starbucks.

From the South you would follow the exit and go straight through a roundabout. You will see Ruby Tuesday on your right and take a right into the strip mall parking lot. There is an entrance on the front of the mall next to Starbucks or an entrance in the back of the mall. Parking is open to everyone on either sides of the mall.
